The brave (or mad !) person named above is raising funds for charity and making a Tandem Skydive with Skydive Snowdonia, the most spectacular location in the UK to jump out of a plane !

Your support would be very much appreciated !

This person will make it clear to you, the sponsors, if he/she intends for the cost of the skydive to be covered by some of the sponsorship money. If so, he/she will aim to meet the minimum fundraising target set by the charity, otherwise he/she will cover the remaining cost and/or pull out of the event and refund all monies to you the sponsors.

He/she, with your support, will make every effort to exceed the minimum target and will hand over all donations within the timeframe agreed with the charity.

Those who have written their names and addresses below and who have initialled the box entitled Gift Aid, want the above charity to reclaim tax on the donation and that you therefore agree for your contact details to be forwarded to the charity for that purpose.

Skydive Snowdonia will not use a sponsor's contact details for any other purpose.
